PRICES

Our current global turnover in DKK according to the latest approved annual report (excluding VAT and charges) amounts to (**check box**):

	Annual turnover in DKK million (excluding VAT)			
<input type="checkbox"/>	from	0	to	5
<input type="checkbox"/>	above	5	to	10
<input type="checkbox"/>	above	10	to	15
<input type="checkbox"/>	above	15	to	20
<input type="checkbox"/>	above	20	to	50
<input type="checkbox"/>	above	50	to	100
<input type="checkbox"/>	above	100	to	150
<input type="checkbox"/>	above	150	to	200
<input type="checkbox"/>	above	200	to	250
<input type="checkbox"/>	above	250	to	300
<input type="checkbox"/>	above	300	to	400
<input type="checkbox"/>	above	400	to	500
<input type="checkbox"/>	above	500	to	1,000
<input type="checkbox"/>	above	1,000	to	5,000
<input type="checkbox"/>			above	5,000

The above turnover constitutes the basis for the prices stated in the annual price list. The annual subscription fee for the year of the first registration - in addition to the registration price - is payable as from the quarter in which registration is made and until the end of the year.

The prices may be adjusted in accordance with the net price index published by Statistics Denmark. Any other changes to the price structure and prices will be decided by the board of GS1 Denmark and notified to the registered companies no later than by 1 June of the year before taking effect.
